

Team Name	JustGo Boulder
Members	Kyle Gronberg, Kyle Ward, Ali Oustlund, Gouri Yerra, Yasmin Alshafai
Description	Travel agency website for Boulder, Colorado. Provides users with summary of various attractions around Boulder. Allowing users to subscribe for updates and newsletters. Contains backend database for each attraction. Front end will be a easy to navigate website.
Vision Statement	To work together to create an interactive website that gives users a taste of Boulder.
Motivation	To gain experience with a wide variety of commonly used languages and tools.
Risks	Not all team members familiar with all languages used. Time management and accommodating all schedules.
Risk Mitigation Plan	Divide work evenly based off strengths of each member. Clear communication through Slack to ensure milestones are met.
Version Control	Github
Development Method	Scrum
Collaboration Tools	Slack
Proposed Architecture	PHP, HTML, CSS, Javascript, SQL
